CUCKOO FOR KIRRA LYNNE

Dear *BootyLicious,*

I just got your Jan. '09 issue and all I can say is, wow! I loved all the girls but my favorite by far was Kirra Lynne. I am not even really into white chicks, but there was something about her that made my dick so hard! She has this really slutty look to her. Not that I am saying that she is a slut. She looks really horny. There's something about her face and the look in her eyes that drove me wild. And she worked that dick like she loves it. I can't wait to see more of her. I would love it if you ran a pictorial of her being oiled up by another big-assed girl. I would love to see them rub each other's asses together in one big, oily sex scene. I like the idea of two girls rubbing their greasy cheeks up and down on one another. I would love to be in the middle of that ass-cheek sandwich.–H.G., Mesa, Arizona

KIRRA LYNNE WANTS YOU TO PLUG HER TIGHT ASS WITH YOUR BIG DICK.

Dear *BootyLicious,*

I love Kirra Lynne. I checked her out in your Jan. '09 issue and saw her working that dick in the pool and I was so turned on. I am a black man and in my 40s and I've fucked a lot of women. I mean, I love all types of ladies, especially if they have big asses, but lately I can't seem to get enough white pussy. I love it, especially if the white chick is tight and has a round, hot ass just like Kirra. It might just be me, but I think that all young, sexy white women with big asses are hornier than any other women out there. Looking at Kirra's face, and the way that she seemed to love being dicked down like that, makes me think that I am right to assume that. Please bring Kirra back, even if it's solo (I can't get enough of her pretty, pink pussy) and put more white women in your mag.–D.O., Henderson, Nevada

Dear H.G. & D.O.: You can check out Kirra working a cock in T&A Tryouts. *This white girl is ass-tastic and cock-hungry! You can get your copy of this DVD at* www.iSexShoppe.com.

SPORTY ASSES, PLEASE!

Dear *BootyLicious,*

I read your mag all the time and I have a request. I want you to put together my two favorite things; some big booty girls and basketball! I think that you should do a shoot with booty girls playing basketball and then stripping and fucking each other on the court. I think that a big-bootied girl looks the best in athletic gear. Keep that in mind when

STACEY FOXX HAS A ROUND, BUBBLE ASS YOU JUST WANT TO SLAM DUNK!

you are planning future issues and please, do a lezzie orgy with lots of basketball players. Come on, hook a brotha up, please!– J.U., Detroit, Michigan

Dear *BootyLicious,*

I loved your Jan. '09 issue! There were so many asses to choose from but the best by far was Ayana Angel because she was playing basketball. I've always been attracted to tomboys because they are sexy but can play and keep up with the boys and that turns me the fuck on. I would love to take Ayana to the basketball court to play with my boys and me. We could play and get all sweaty and then I could play some one-on-one with her like that baller movie, *Love and Basketball*. I would love to fuck her on a basketball court! Please feature more girls playing sports, especially basketball.–S.H., Jersey City, New Jersey

Dear J.U. & S.H.: Since you are both big asketball fans, we suggest you get a copy of the March/April '09 issue which features big-assed, bangin' baller Stacey Foxx. You decide what's more round, her bubble ass or the basketball she is sitting on. You can get your copy of the March/April issue on page 10.

YES FOR LATINA YAZMINA

Dear *BootyLicious,*

I just discovered your mag a few months ago and I'm already crazy about one particular girl, Yazmina Melendez, who appeared in the Jan. '09 issue. I'm

AYANA DOES HOT ANAL COURTSIDE!

not sure if it was Yazmina as a waitress that drove me completely crazy or if It was her big juicy ass. I was so hard that it hurt. Her ass was the best one in the whole issue. Besides the great pics, her interview gave me an up close and personal view of her and I think I might have fallen in love. I'll tell you something, too. I don't think that I will ever see honey the same way again after seeing it dripping down Yazmina's big, juicy ass.–R.B., Miami, Florida

Dear *BootyLicious,*

Thanks for your wonderful magazine for guys like me that love big asses. You guys outdid yourselves with your interview and photos of Yazmina Melendez in the Jan. '09 issue. She is one of the hottest Latinas you have had in the mag. I loved the honey on her ass. I wanted to lick the pages! More Yazmina soon, please. You're the best ass mag around!–G.G., Cincinnati, Ohio

Dear *BootyLicious,*

I am not the type of guy who writes letters to magazines, so this will be short and sweet. I just had to thank you for Yazmina Melendez in your Jan. '09 issue.–D.E., San Antonio, Texas

TEASE AND PLEASE ME!

Dear *BootyLicious,*

I'm an all-around ass man. I can never get enough. I like asses in all shapes and sizes, but especially when they are bubbled out from the waist. I have lots of issues of *BootyLicious* magazine and I love all the models that you feature. Keep those great issues coming.

I think what sets your magazine apart from the rest is the photography. You guys know how to shoot big asses to showcase their beauty and curves. I love the way you guys shoot those models bending over and showing their round rumps. Especially when the models look back at the camera and give that "tease" look as if they know that they are about to get boned. That is a big turn-on for me because I like it doggie-style and I love it when a really fine woman shoots me a really horny look over her shoulder as I fuck her.

Please keep bringing us the best in big asses. And also, please put more Latinas in the mag! I love those tan-skinned freaks.–M.M., Tampa, Florida B

WE ASKED YOU...

What type of women do you prefer?

56% said ALL ethnicities. Doesn't matter as long as the women have big asses.
15% said BLACK women.
15% said LATIN women.
9% said WHITE women.
5% said OTHER and wrote in INDIAN and MIDDLE EASTERN women.

We recently conducted a *BootyLicious* survey where we asked questions about what kind of women YOU wanted to see in the mag. Most readers responded that they'd like to see a variety of different types of women in the magazine. Your wish is our command. We will be placing more diversified content in upcoming issues. Thanks for participating and helping to make *BootyLicious* the best magazine it can be!

MEGA

Welcome back to* BootyLicious, *Diamond. What's new with you?

"Lot's of things! Since my pics were in the July '07 issue and I was in *Ridin' Phat Asses,* I've been recognized everywhere I go. In a way it's kind of weird for guys to come up to me and ask me for a 'slow ride' or say something like, 'I'll ride your phat ass!' because it catches me off guard, but it's so hot, too! I totally love the attention. The fact that guys jerk off to my booty is so sexy! I've had lots of sex since you guys made me ass famous!"

So, it seems like you like riding bikes and big, stiff cocks outdoors, Diamond.

"That's right! I love to fuck outside. I think having sex outdoors makes me cum harder. I like to feel the wind on my titties and I like to spread my ass cheeks wide and let the breeze tickle my tight asshole. Guys like it, too, because when we fuck outdoors, I can be as loud as I want to be."

Have you done any other modeling or movies since we last saw you?

"I've done two other ass movies called *XXX Assoholics* and *Booty Bangers.* I think that once you've done one movie, you want to do more because fucking on camera is a turn-on. For me it's the thrill of knowing that there are men out there drooling to get a piece of this here pussy and ass. I would love to watch my porn with my fans and then reenact my sex scenes with them."

Cheeky & Freaky

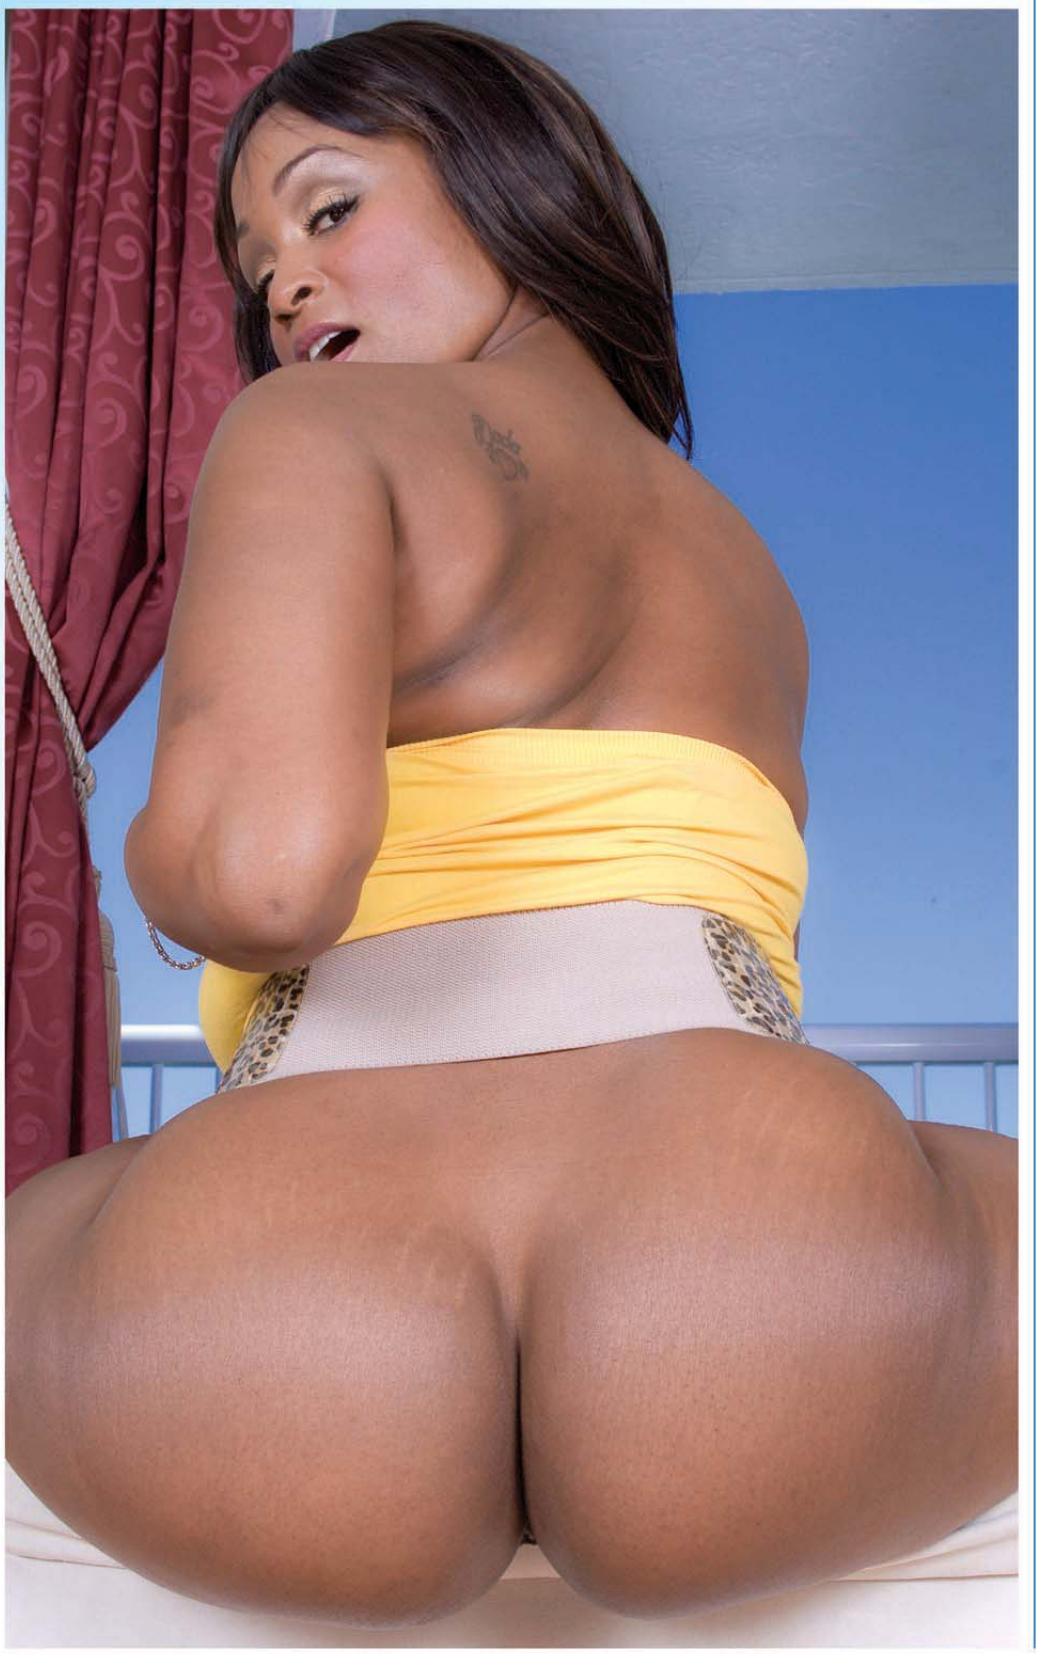

Ms. New Booty

Kara Kane

BY MARIA GUERRERO

Allow us to introduce you to the unforgettable and sexy as all hell, Kara Kane. This big-bootied babe is from North Carolina by way of Boston and she told us that she was porn's best-kept secret. Well, we are going to let the cat out of the bag and give you all the juiciest details about this anal-loving, sassy rising star. With her straightforward, no-nonsense approach to men and sex, she is sure to charm the pants right off of you. And believe us when we say, that once your pants are off, Ms. Kane will know exactly what to do to handle your business. Get a load of this rising star and let her blow your load, too.

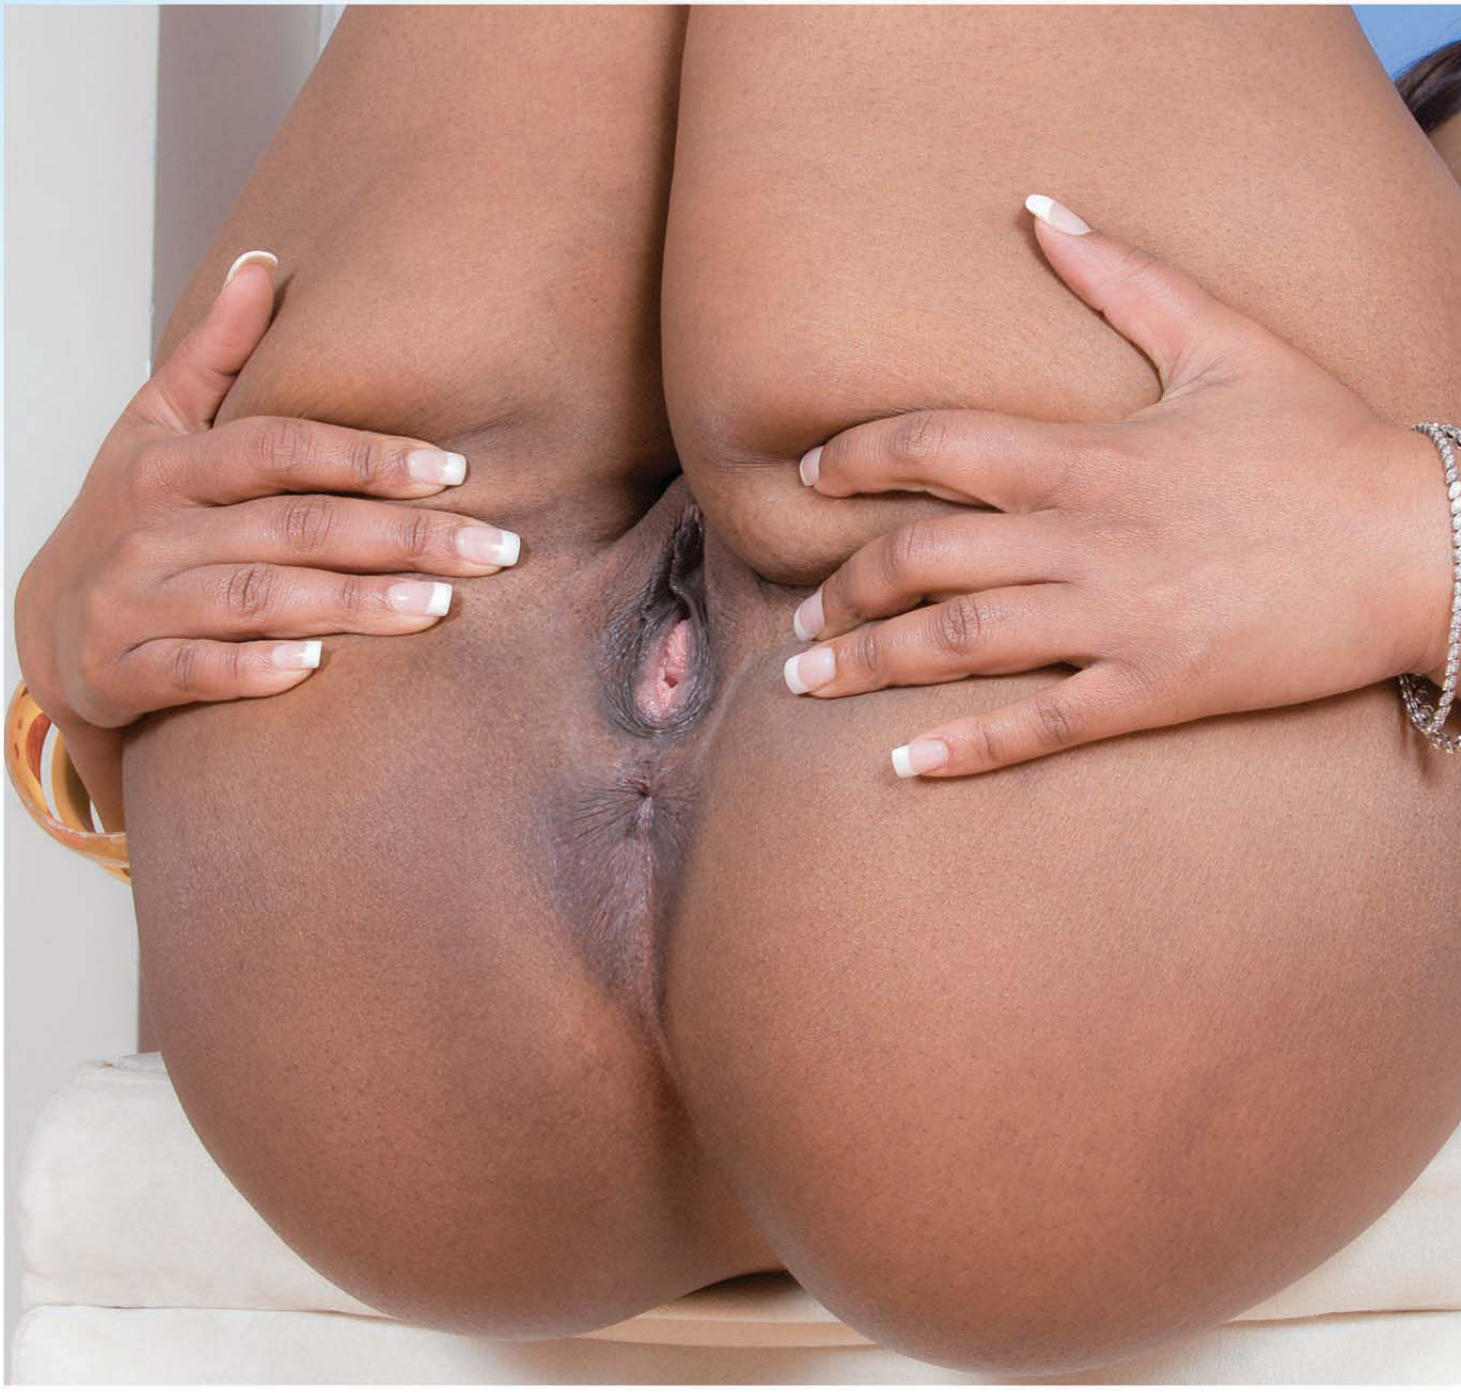

BootyLicious: Welcome to *BootyLicious* magazine, Kara. This is the home of the best asses and the hottest ass mamas.
Kara Kane: Thank you! I love your magazine.
BootyLicious: Now, we know that you are packing some ass in your pants. That's obvious. But we will get to that in a minute. We want to get to know you Kara. How old are you?
Kara Kane: I am a good age. I just turned 33.
BootyLicious: You're right. That is a good age. It's old enough to know better, but young enough to be so hot that you can get away with not knowing better.
Kara Kane: [*Laughs.*] That's a good way to look at it! I agree with you.
BootyLicious: And where are you from, Ms. Kane?
Kara Kane: Well, I am living in North Carolina, but I am originally from Boston.
BootyLicious: Boston is a great place. Where do you live in North Carolina?
Kara Kane: I live in Charlotte. It's wonderful.
BootyLicious: And tell us how long you have been modeling for, Kara.
Kara Kane: Since 2005, so a few years now.
BootyLicious: We have heard that you have been on some videos. Not porno, but actual music videos. Any one we would know?
Kara Kane: Well, I have had a lot of offers to be in videos, but it always conflicted with my shoots and work that I was doing in the adult industry, so I never did them. I'd rather be dedicated to what I am doing in the adult business. I just really love my job.
BootyLicious: Well, hey, we are not mad at you Kara. We'd much rather see you naked and fucking.
Kara Kane: [*Laughs.*] Maybe further down the line, I'll do music videos, but for now I am excited to be making a name for myself in the industry.

BootyLicious: The music industry is a tough business. And you are just too fine to be in that tough business. Tell us, what are your measurements, Kara.
Kara Kane: 36C, 26, 41. I used to be a 38, but my butt grew a little.
BootyLicious: How does that happen? How does someone grow more ass?
Kara Kane: I think it's from eating well. I eat a lot of protein and I work out a lot. I also have a lot of sex. I think it helps. [*Laughs.*]
BootyLicious: If sex helps your ass grow, then by all means, fuck. Fuck a lot.
Kara Kane: [*Laughs.*] Thanks. I'll take that advice.
BootyLicious: So do you workout a lot? What's your workout routine like?
Kara Kane: Yeah. I do. Basically it's a lot of lunges and squats. Lots of time on the treadmill and running. I do a lot of sprints, too.
BootyLicious: So what do you do on your downtime? Do you go to school? Are you working somewhere?
Kara Kane: Well, I am not in school, but I do have a flooring business.
BootyLicious: Wow! We just thought about you on the floor in tiny shorts, laying tile. Actually we thought about you getting laid on some tile.
Kara Kane: [*Laughs.*] I bet you did! Well, I actually go out and meet with my customers and make an estimate. I also help the crew at the end of the job. I do some of the cleaning up at the site and all that.
BootyLicious: Do you do it in tiny shorts? Maybe in boy shorts with your ass just ready to be grabbed?
Kara Kane: [*Laughs.*] No! You guys have big booty on the brain at all times, huh?
BootyLicious: Of course! We are *BootyLicious!* If we don't have booty on the brain, then who will? We have an obligation to be booty-obsessed for our readers. Now, tell us, Kara, did you ever strip or dance in North Carolina?
Kara Kane: Yes, I used to

dance, back in the day. At a club called Bada Bing.

BootyLicious: Now, we aren't complaining, because we love to watch you do XXX scenes, but why did you stop dancing, Kara? We would have loved to go see you shake that ass.

Kara Kane: Well, in the beginning, I danced just to be able to get the proceeds to get my look and myself up to par to be in the adult business. But then when things took off, I didn't have to dance anymore.

BootyLicious: Let's talk about your look, Kara. Do you think that now that big-ass porn is popping off that black models need to have a certain look?

Kara Kane: Well, I think you just have to have an excellent ass. Since this business is geared towards booty now, you have to have an excellent booty.

BootyLicious: What is an excellent ass to you?

Kara Kane: Mine. [*Laughs.*] Actually, there are a lot of girls out there who have excellent asses. For instance, Pinky. Pinky has an excellent ass.

BootyLicious: Well, Pinky's ass is different. She is shorter and her ass is, well, wide and round and huge.

Kara Kane: Yes, Pinky's ass accommodates her body. For a short person, she has a very good ass.

BootyLicious: So would you say that the guidelines for an excellent ass are that it be a big bubble butt? Or should it be nice and wide?

Kara Kane: Um, I think I would have to say that it's more about the bubble butt. It has to be more round and pop out more.

BootyLicious: We get a lot of girls that come in, and sometimes they have big asses, but they have more hips than ass. Do you know what we mean?

Kara Kane: Yes, I know exactly what you mean and I think that they should be more full and round.

BootyLicious: Well, we think that all big asses are good, round or otherwise. But thank you for your insight, Kara. Now tell us…you do XXX, right?

Kara Kane: Yes, I love it.

BootyLicious: And you do anal, too, right?

Kara Kane: Yes, I do.

BootyLicious: What about girl on girl? Do you get down with women, Kara?

Kara Kane: No, I haven't. Not yet, anyway. I mean it isn't something that I have decided on doing yet.

BootyLicious: Is there anyone that you might be considering doing it with?
Kara Kane: Um, I actually have someone that I am debating about. But I am not too sure yet, so I don't want to say any names yet.
BootyLicious: You mysterious, little tease! We love it. Just make sure you let us know when it happens.
Kara Kane: Well, they do call me porn's best-kept secret, so you know I am a little mysterious. [*Laughs.*] But I will let you know if and when it happens.
BootyLicious: Well, let us try this angle. Have you ever done girl-on-girl in your personal life?
Kara Kane: No. I know that a lot of times girls won't do things on camera, but they do them in their personal lives. But that's not me. I do everything on camera that I do in real life.
BootyLicious: As far as your booty goes, when did you start to get a big butt?
Kara Kane: Well, I always had a big butt. Ever since I can remember. Over the years, I have lost weight and gained weight and the size of my ass fluctuated, but I always had a big ass.
BootyLicious: Would you say that it's a curse or a blessing for you, Kara?
Kara Kane: I think it's a blessing, actually. It has helped me get attention and has given me a lot of opportunities. I have never gotten any complaints.
BootyLicious: Do you find that it's hard to dress because you are petite with a giant ass? How does that work out for you?
Kara Kane: Um, in my younger years, I had a lot of trouble even fitting into clothes. 'Cause they never made clothes back then to cater to women with big butts. I used to have to wear a lot of Italian, stretchy jeans. But now that they make a lot of clothes that cater to us big booty

girls, it's a lot easier to live with all this ass.

BootyLicious: What brands do you wear?

Kara Kane: I like Versace. I like 7 For All Mankind. I love Michael Kors. He makes jeans that I can fit into. I wear leggings, Lycra and stretchy pants also.

BootyLicious: You wear thin, stretchy leggings out in public? Doesn't that cause a lot of drama, Kara?

Kara Kane: [*Laughs.*] Yes, it does cause a lot of attention to be diverted my way.

BootyLicious: So you are jiggling that big ass around in tight, stretchy pants…tell us what happens when men see you. How do you handle the attention?

Kara Kane: Well, now that I've gotten more exposure, I really try and stay out of the limelight and try not to draw attention to myself. I am actually very low profile when I'm out in public.

BootyLicious: Why hide your assets from men?

IN THAT TRUNK

Welcome to BootyLicious, *Lola. You certainly have a lush, fleshy booty!*

"So, you like my ass, huh? Well, get in line because a lot of men like it, too. I am one of those thick chicks that men go crazy for. A lot of guys won't admit it, but chubby girls are where it's at! Who wants to fuck a skinny, bony girl when you can have all these curves? I've always been proud of my lush body. I think that having just a little extra padding is better for fucking."

Hey, we love a girl who has a little something extra to give!

"Thanks! I have never met a man who could resist me. I've even met guys who have never been with a bigger girl and all it takes is one night with me and they are converted. Once you have my fleshy tits in your hands and you are pumping your dick in and out of this padded pussy, you will love it! You know what they say about thick girls? We have a healthy appetite and that goes for everything, even sex. I love to fuck. I just can't get enough. I think that part of being this curvaceous is having a healthy sexual appetite. What can I say? I am a sexy man-eater!"

Do you like it when a guy fucks your thick caboose, too?

"Of course I do. I usually ask guys to spread my fat ass cheeks apart and slide their cocks into my tight asshole nice and slow. Then when they let my ass cheeks go, they wrap around the cock and provide some nice cushion for all that pushing. I think that the meatier an ass is, the better the anal sex is."

No matter what flavor of ass, whether creamy vanilla, sweet caramel or decadent chocolate, you can bet that you will savor the flavor even more in the great outdoors. There's nothing like getting nasty in natural surroundings with big-cheeked freaks that like a very hard pounding!

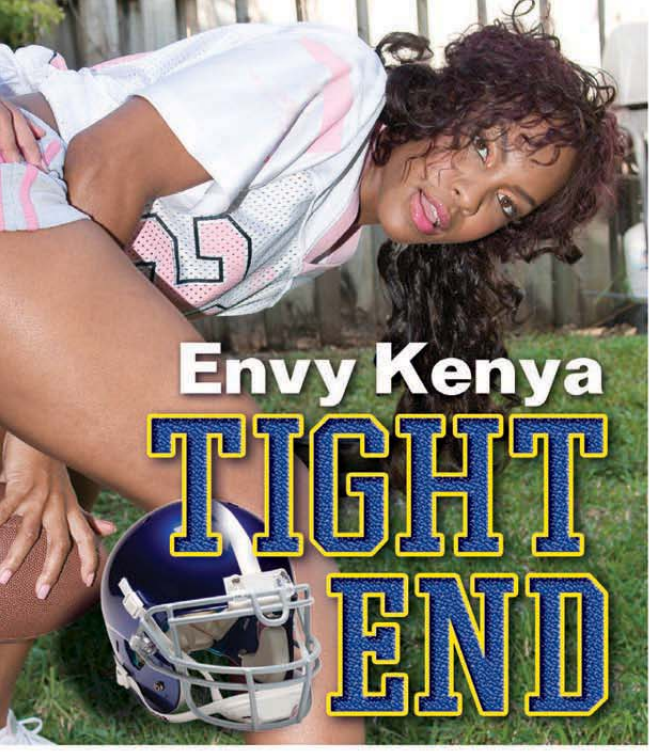

Some ladies may love to fuck in the bedroom and some may even let you persuade them to let you spear their asses in the kitchen, but only a true freak will fuck you outside for the world to see. There's no shame in these sexy mamas' game. They let loose and get juicy out in the sunshine. And that's just how we like it.

TIGHT
END

Welcome to* BootyLicious, *Envy. Want to tell us how tight your end really is?

"[*Laughs.*] My end is so tight that once you put your big dick in there, you won't want to pull it out. In fact, I probably won't let you pull it out because nothing feels better than getting thoroughly ass-fucked and then having your asshole filled with lots and lots of warm cum!"

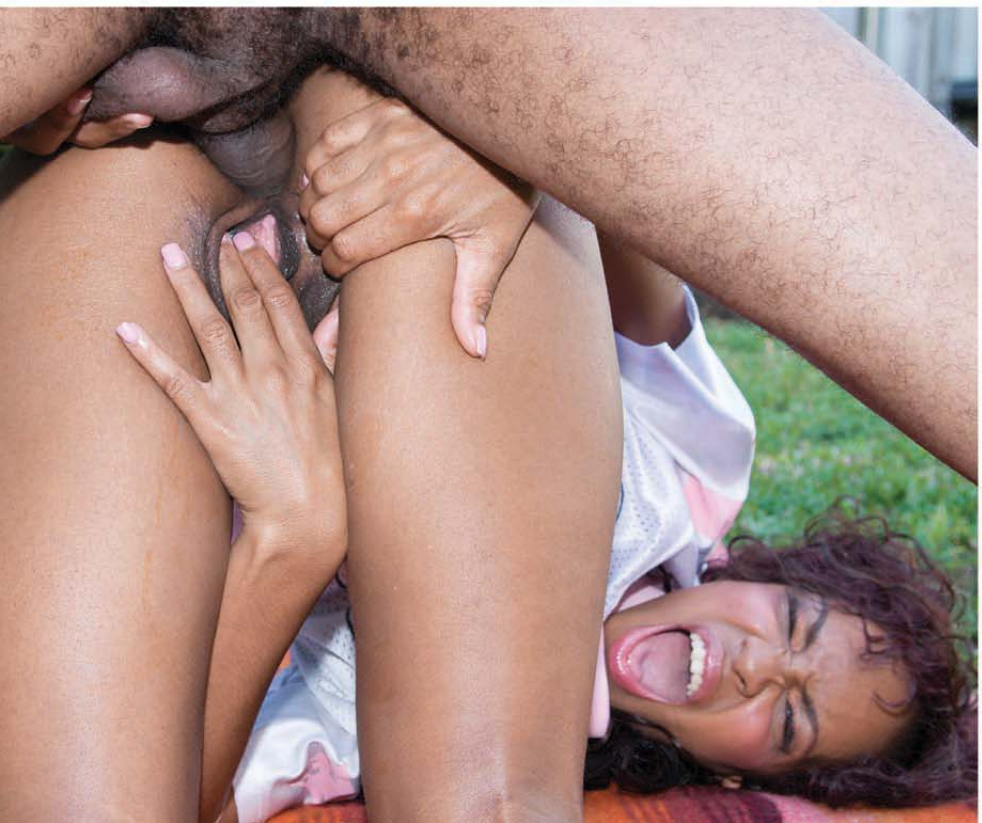

Believe it when we say that we would love to play some touch football with you, score and fill your ass full of cum!

"That's what I like, baby! You see, I think that sports and fucking go hand-in-hand. My theory is that men love sports and competition, right? And they absolutely love big asses and fucking, too. So, I like to break them off a little of both at the same time. There is something about all that testosterone and drive to win that gets men horny and hard. I'll fuck a man only if he agrees to play a sport with me. Some guys automatically say, 'Girls can't play sports.' Trust me when I say that those type of guys never get a piece of my ass. But the guys who are eager to play softball, basketball or football with me, and who play hard despite the fact that I'm a woman are the ones that get some in the end. I love the thrill of competition and I play to win, too. But here's a secret…even if I don't score, I always end up getting some hard dick, so I win every time, no matter what!"

An Asshole to Dye for

A guy's experiment in anal bleaching

Recently, we received a letter from a female reader addressed to Katy Terrega, with a question about anal bleaching. It seems that, these days, not only are porn stars and strippers whitening their buttholes, but the idle rich, starlets, gays, women who want to wear thong bikinis and men and women who decide that their cracks are too dark to be aesthetically pleasing in intimate moments are indulging themselves. Pink, clean-looking anuses and butt cracks are in.

This was not a subject that NN *staffers were familiar with, but after our own, private posterior inspections, we agreed that it was a subject worth exploring. So, we researched the subject online, and a new friend at PoopReport.com provided us with the following article which was originally published on his site. Read it and learn!*

Here is the report by "Gasputin."

The Purchase

An eerie silence settles over the drug store as I sidle up to the poor woman stocking the skin care aisle. With fire in my eyes and alcoholic drink on my breath, I make a vow not to tiptoe around the matter. Such is my fervor. Such is my madness.

"Excuse me, Mam. I was wondering if you sell any anal bleach?"

The wheels in her head are set in motion. Nine times out of 10, when a ragged, unshaven man dressed as if he were within the blast radius of a thrift shop explosion asks for anal bleach, something sinister is afoot. She affixes upon me a gaze struggling to express curiosity, pity, fear, and revulsion. It's her last attempt at eye contact.

"Uhhh…we have skin lighteners, if that's what you mean," she says, directing my gaze to the bottom shelf.

I pick up a box of Esoterica Fade Cream. It lists, "full face, neck, chest, arms, hands, shoulders, legs, body, and feet" as areas of use, but not the anus.

This will not do. Or will it? A bulb clicks on in the part of my brain responsible for "same meat/different gravy" ass experiments.

"Um, do you think that this would work down there?" I ask her.

"I wouldn't know," she mutters with obvious dismissive contempt. Sensing impending litigation, I buy the stuff and scurry home to experiment. There is much work to be done.

The Intention

While some "artists" waste time dabbling in oil, stone, and clay, biochemical artisans in the real world have found a truly useful medium in anal bleach. With hyperpigmented asshole epidermis as their canvas, Glycyrrhiza glabra root extract and Peg 100 Stearate SE on their palettes, and their fingers as their brushes, these creative cornhole cosmeticians have unlocked the mysteries of anus enhancement…and triggered the most exciting, if not amazing, craze in the skin care industry today!

Because, let's face it: there's no shortage of reasons to lighten and rejuvenate your anus. Maybe you're tired of porn directors typecasting you as "Cum Guzzler with Leathery, Cadaverous Asshole"; perhaps a snickering doctor compared your desiccated deuce cannon to the surface of one of Jupiter's volcanic moons; maybe the passage of time, two kids, or umpteen chili dogs has made the ol' o-ring's odometer roll over; possibly your shitbelcher has fallen prey to the indelible stains of Brown Syndrome after years of shoddy hygiene and/or repeat occurrences of splatulence; or maybe you're just like me and find the idea of experimenting with backdoor bunguents to be right up your proverbial, if not perverse, alley.

But as Americans find their anal enhancement budgets stretched ever-tighter in these troubling economic times, a question arises: must we shell out $30-50 for a tube of anal bleach in our quest for the Anus de Milo? Or can a cheap jar of drugstore fade cream do the trick just as well?

To find out, I decided to apply two brands of greased lightening to my fundament freckle. The left anal hemisphere was treated with a $9, 2.5-ounce jar of Esoterica, a fade cream commonly used to reduce age spots, freckles, and so on. The right, meanwhile, was infused with a $30, two-

Would the color put you off if you were heading for either hole with your tongue or your dick?

ounce tube of Vigala, an anal bleach I ordered on the Internet.

Note: I have no affiliation with either product. I chose Esoterica because it was there, and Vigala because it was the first kiester Clorox I found for under $45.

My attempts to include a female Guinea Pig in this experiment met with no success, which was hardly a surprise since tact has never been my strong point. "Hi, Pam? It's me, Gasputin. Listen, you've always struck me as someone who might suffer from unsightly anal discoloration, and I was wondering if…Hello? Hello?"

The Technical Stuff

Finally, anal bleaching is not without risks. The skin around the shit chute is extremely sensitive and more likely to become irritated by chemical intrusion. Most creams use hydroquinone, a cosmetic ingredient banned in some countries (high-dosage studies in rats suggest there may be a cancer risk) as their lightening agent. In rare human cases, hydroquinone has been linked to ochronosis, a skin-thickening condition characterized by blue-black discoloration. (Cue, *Don't It Make My Brown Eye Blue.*) Side effects may also include severe burning, itching, swelling, stinging, and/or crusting. Both creams contain a 2% hydroquinone concentration, the highest percentage allowed by law without a prescription.

Another often used bleaching ingredient is kojic acid. As if conjuring up images of spreading Telly Savalas' reflux around your anus isn't unsettling enough, kojic acid is used commercially to inhibit "enzymatic browning in crustaceans." In other words, it keeps lobster shells red and fresh-looking. It, too, has been banned as a cosmetic ingredient in some countries. Vigala uses kojic acid dipalmitate, a kojic acid derivative, while Esoterica uses neither.

You may want to do some research before you apply these substances.

Let's bleach some bung, shall we?

The Trial

Day 1. I retreat to my subterranean laboratory/basement the minute the anal bleach arrives in the mail. But before I can begin my fecelift, there are matters of deforestation that need to be "rectified" if I am to get an unobstructed view of my target. Grabbing the electric razor, I assume an advanced yoga position interchangeably known as "The Shearing of the Unseeing Eye" or "The Corruption of Innocence" to clear-cut the Circle of Loaf of its untamed vegetation and the plump dinglefruit nesting therein. I choke back tears as this once-thriving feekosystem drifts softly to the floor: a sacrifice to the pursuit of knowledge.

I use lava soap to sandblast the area clean, then squat over a mirror for a look-see. Any doubts I have about this project vanish instantly. This is an orifice in dire need of attention. It isn't simply brown, red, or pink…it's a turbulent miasma of all three, with a little jaundice thrown in. It's the Aurora Boreanus. It's a gateway to madness.

Nevertheless: after taking the first in a weekly series of Before and After photos that will haunt me for the rest of my days, it's time to ride the lightening! Donning latex gloves, I massage first the fade cream and then the anal bleach into their respective gluteal shanks. Shortly thereafter, I realize a patch test may have been in order, as a slight tingling develops on both sides. I spend a few anxious minutes awaiting the five-alarm fire, but it never materializes.

Does this pussy and butthole appeal more to you than those on the other page because of the color?

Day 2. Stripping my stench trench of its plumage has already raised concerns. Without that thin hair buffer, my asscheeks chafe and grind together with every step I take. It's hellish and weird. To paraphrase Cypress Hill, I am in pain in the membrane. I

Other commercial options

If the thought of attacking your anus and buttcrack with doses of semi-toxic chemicals doesn't really appeal to you, there are a couple of milder applications on the market.

South Beach Skin Solutions. Their catch line is, "Is your wink pink?" In the company's own words, "South Beach Skin Solutions Lightening Gel for Sensitive Areas is the ultimate in safe, gentle and effective natural lightening for the anal, vaginal, breast, underarm, face and other sensitive areas. Unlike cheap drug store skin lighteners or bogus imitators, our specially-formulated (gel) is very gentle and does not contain any potentially harmful or irritating chemicals such as Kojic Acid or Hydroquinone. It absorbs quickly, dries cleanly and does not leave an oily or sticky residue."

"The highly-advanced, all-natural ingredients in our Lightening Gel are designed to gently and effectively lighten dark pigmented areas by blending them with your own natural skin tone, providing you with a fresher, more youthful look."

The price is $49.95 for a 2 oz. bottle, available from: southbeachskinsolutions.com

Pink Cheeks Salon. Based in Sherman Oaks, near Los Angeles, this full service salon advanced several years ago from offering Brazilian bikini waxes and the like to giving anal bleaching relief to select customers with their in-house, all-natural cream. They drew quite a lot of media attention, and now offer their cream for sale. In their own words, "This was a service that we offered 'under the radar' but now that more and more are responding to the desire for it we are offering it publicly. You apply the bleaching cream every night. You will see your results within a week and a half to a month and a half. The speed of the visual result is contingent on your melanin depth which you've inherited. Everyone lightens up at different speeds."

Luccia Cardona

Big Bootied Cutie

BY MARIA GUERRERO

Every once in a while, we come across a young, bootied cutie who has that certain something that catches our eye and makes us think that she just might be the next big thing. We got this "special" sort of feeling when we first met a just-turned-18 Julia Bond. And we got that same feeling about newcomer, Luccia Cardona. Luccia is a tiny thing and just turned 18. But what she lacks in years, she makes up for in horny experience. She wants to make it big and isn't afraid of her sexuality. This fresh-faced hottie is definitely going places…and you better believe that she is going all the way, too.

BootyLicious: Welcome to *BootyLicious,* Luccia. Now, we hear you are only 18, but that you are ready to take the biz by storm.
Luccia Cardona: Yes, I'm 18. I just turned 18, actually. And I am very excited to make a name for myself and to be in *BootyLicious.*
BootyLicious: You are tiny. We will say that right off the bat. How tall are you?
Luccia Cardona: I'm 5'2" That's not that short, right? I'm in the five-foot range.
BootyLicious: The lower five-foot spectrum. 5'2" is not that tall, Luccia.
Luccia Cardona: [*Laughs.*] Okay, I'm short. I can live with that.
BootyLicious: But for a short chick, we will say that you do have quite a cute bubble butt. It's juicy. What are your measurements?
Luccia Cardona: I am a 32B-28-38. Sometimes my butt is a 36. It fluctuates.
BootyLicious: That's a pretty sizeable ass on someone so small. Were you always this bottom heavy?
Luccia Cardona: I've always had a bubble butt, but now that I am getting older, it's getting bigger. I've been told that it will grow more now that I am having a lot of sex, too.
BootyLicious: We've heard that, too. We say, keep on fuckin' as much as you can.
Luccia Cardona: [*Laughs.*] I'm planning on it.
BootyLicious: Now, for our readers who don't know, you pronounce your name Loo-chi-ah, right?
Luccia Cardona: That's right. It's Spanish.
BootyLicious: And tell us where you are from, Luccia.
Luccia Cardona: Well, I was born in New York, but I was raised in Puerto Rico.
BootyLicious: Oh, from the isle of enchantment. There are a lot of big booties there. We just featured Lizzy Aguilar and she was from Puerto Rico.
Luccia Cardona: I saw that layout. I am a fan of your mag. And she is hot.
BootyLicious: So how did you decide to start modeling and using your assets to your advantage? Is this the first time you posed?
Luccia Cardona: Actually, it is my second time. I just jumped into it head first. I was actually dancing for about a month after I turned 18 and I didn't like it. It wasn't for me. So a friend of mine at the club

told me that I should start doing adult modeling and I did, and I love it.

BootyLicious: Why didn't you like to dance, Luccia?

Luccia Cardona: Dancing is a lot of work and I actually enjoy having sex. I thought that since I like it and I was already dancing, I should just be an adult model. That way I could have sex as a job. That appealed to me.

BootyLicious: Since this was your second shoot ever, were you nervous?

Luccia Cardona: I wasn't too nervous this time. When I saw all the scenes we were doing, I got a little overwhelmed but I am a hard worker and I love this job, so I was cool. I like that we don't do the same thing over and over. It's always something fresh and new.

BootyLicious: And you just did XXX right away? Do you do anal, too?

Luccia Cardona: Yes, I did boy-girl right away because I have always been excited to be on camera and having sex, so this was like a fantasy come true for me. And no, I don't do anal. I am actually an anal virgin. I still have my ass cherry.

BootyLicious: Are you curious about it, though?

Luccia Cardona: [*Laughs.*] Yeah, I am curious. I mean I am into it. I love when men play with my asshole, but I am scared to do it.

BootyLicious: Well, everything in due time, Luccia. Just let us know when you are ready because we would love to film it. Now, are you into any other type of fetishes at all?

Luccia Cardona: I am into being a dominatrix and tying people up and all that. I think that is because I am tiny and I get off on being mean to big guys.

BootyLicious: Being so tiny, are you submissive?

Luccia Cardona: I think I like to be both. I like to tie people up, but there is a part of me that likes to be taken control of, too. So I think I am a switch.

BootyLicious: But you're

so tiny! You don't strike us as a very menacing girl.
Luccia Cardona: [*Laughs.*] Oh, I can be pretty intense. Once I put on a sexy outfit, I can play the role.
BootyLicious: So you get really into it, huh?
Luccia Cardona: Yes, I actually enjoy all of it. Being dressed up, getting my hair done and then having sex…It's very much a turn-on for me.
BootyLicious: Now you said you did boy-girl, but are you into women at all?
Luccia Cardona: Oh yes, I am actually very much into women. I think they are very sexy and I enjoy them.
BootyLicious: In your personal life? So you're saying that you have dated girls?
Luccia Cardona: Yes, I've dated women before. A couple of women, actually.
BootyLicious: And are you interested in going lezzie on camera, too, Luccia?
Luccia Cardona: Yes, that is something that I would definitely do. I am into women, so I think having sex with them on camera would be so fucking hot.
BootyLicious: What's the difference for you between being with a man or being with a woman? Is there a major difference?
Luccia Cardona: Oh, there is a really big difference. With girls it is a little more emotional and they are more sensitive and understanding. They are more delicate. Men are a lot rougher. It is, like, I can fuck a guy and I will be really sore, but he may not have made me cum as good as if I was with a woman. I find that most women are more sexual even though they are more delicate.
BootyLicious: So women make you cum more and maybe faster than a man?
Luccia Cardona: Oh, yes, definitely. A woman always knows how to make another woman cum hard.
BootyLicious: Why do you think that is, Luccia?
Luccia Cardona: Um, a woman knows all of the spots to touch. She knows where to touch me and how to suck and lick my pussy. It's because she knows how she likes to be touched down there.
BootyLicious: Now, when you are in the bedroom, do you like to talk dirty?
Luccia Cardona: All the time! I love to say raunchy things because they help me visualize and then I can get off faster. I am also flu-

ent in Spanish, so I like to talk dirty in Spanish.
BootyLicious: What if the guy doesn't speak Spanish?
Luccia Cardona: All guys like it. Even when they don't know what I am saying, they are still like, 'Yeah! That's sexy!' I mean, I could be reciting my grocery list and they would never know. [*Laughs.*]
BootyLicious: What do you like to wear when you are out and about?

Luccia Cardona: I like to dress casual and decent. I don't like to expose anything at all. No one knows what I do, because I like to be a lady. It's hard for me to find things to fit and I get a lot of things altered, too. Just because, like you said, I am short and my butt is big, so not a lot of things fit. I need a lot of things to be hemmed.
BootyLicious: What kind of panties do you wear?

Luccia Cardona: I like to wear boy shorts. I just don't like things that are too tight. I like thongs, but they are sometimes uncomfortable. I am not that crazy about them. My pussy lips are kind of long, so thongs get in-between them. That's why I tend to stick to booty shorts.
BootyLicious: Do you like to wear things that show off your booty when you are out and about?

Luccia Cardona: Only if I am going to the club to go dancing. Then maybe I will wear little shorts and a dressy top and some heels.
BootyLicious: Now, who hits on you more when you are out? Men or women?
Luccia Cardona: I am going to say that it is something that happens all the time from both sexes. Men are usually more aggressive and women are usually more persistent. I don't

mind either way, but sometimes if I am on a date with a man and women hit on me, it can be intimidating for him and that's the only real downside to it.
BootyLicious: Have you ever done a threesome?
Luccia Cardona: I have, but I am not really into that. Mostly, I prefer to be with women, actually.
BootyLicious: So you don't date guys? Just chicks?
Luccia Cardona: I mean, I try not to discriminate, but I prefer big-bootied girls.
BootyLicious: Any ethnicity or type of women?
Luccia Cardona: I like those thick Spanish girls. The ones with the hips and the full asses. They are hot.
BootyLicious: Is it easier to give head to a girl than it is to a man?
Luccia Cardona: Women are harder to get off but I prefer eating them out. It just takes a lot longer.
BootyLicious: What about guys? Do you like sucking dick at all, Luccia?
Luccia Cardona: [*Laughs.*] Of course! It's just like girls are apples and men are oranges. Both good, but I like apples more. But when I am with a man, I like to suck it really sloppy, give some love to his balls and then deep throat his dick.
BootyLicious: And how can a man get you off?
Luccia Cardona: I think that the best way for a man to get me off is to be a man in the bedroom. A lot of guys worry when they are fucking me, because I am so small, that they are hurting me. So they fuck me like I was made of glass and that is so weak. I like it rough. I want him to throw me around and smack my ass hard. I can't get it rough enough when I am with a man. Once I convince them that they can be as rough as they want to be, they fuck me just how I like it and I can cum hard.
BootyLicious: What's one of your most-embarrassing moments, Luccia?
Luccia Cardona: I think that it has to be farting during sex. That has happened maybe once or twice to me and that is the most embarrassing thing. Oh, and pussy farts, too! [*Laughs.*] It's, like, you have to either play it off or own up to it. And some guys are really bothered by it. But I think you just have to laugh and keep on going.
BootyLicious: And what are your fantasies?
Luccia Cardona: I really do want to try anal and I am interested in doing DP with two really well-hung guys.
BootyLicious: We are running out of time. What do you want to tell your fans?
Luccia Cardona: I just want to tell all of them to look out for me because I am going to blow up! B

Mz. Booty
Too Much Can for just two Hands

Mz. Booty…your gigantic ass has left us speechless. We don't know whether to drool, cry tears of joy or reach out and cop a feel of your giant ass. It's just so…big. It's bigger than big!

"[*Laughs.*] Thank you. I have that effect on people. Everywhere I go men and women go crazy for my booty. It's been that way since I was young. I come from a long line of big-bootied women. We are all pretty short and then we have these big asses. I think it's because I'm only 4'8" that my booty has even more visual impact. Especially when you see me from the front first. People usually see my titties first and they think, 'Wow! Those are big titties for such a short girl!' Then I walk past them and they see my ass and lose their minds. I have had people stop and stare as I walk on by. I'm used to the reaction I get, but my ass does cause a commotion wherever I go."

We believe you. In fact, we think that you have the kind of ass that causes riots. Tell us what you do with that marvelous can.

"I don't want to start riots, but I do like that I have a unique ass that gets a lot of attention. And I can do all sorts of fun things with it. You name it, and I can do it. I can make it clap, jiggle, pop, shake, bounce and move each cheek to any beat you want. I know there are a lot of girls out there with big booties who can't do anything with them. It would be a shame if I had all this ass and I couldn't do tricks with it or use it during sex. My ass is always the focal point when I fuck someone, even when I can't even see the dick I'm riding because my ass cheeks just swallow it up. A lot of men will ask if they can just stick their dicks between my cheeks while I make them clap together. Imagine that! Guys don't want to fuck me; they just want to play with my ass in the bedroom. It's funny to me."

Hey, we don't blame them. It's something you have to feel to believe.

"I don't mind. I like when people grab on my booty. I don't mind if a few people grab it and play with it at the same time, either. I definitely have enough ass for everyone who wants a piece. I like it when they want to get a taste, too and get my asshole nice and wet."

AN ASSHOLE...

continued from page 53

fear that this skin-on-skin contact may also increase the production of sweat/sphincter dew, in turn creating a moisture-rich environment for some bungi looking for a nice asshole to colonize. Aside from that, all is well.

Day 3. As per the instructions, I've been applying the fade cream twice a day, while applying the anal bleach only at night. The fade cream doesn't absorb well, leaving a greasy residue that takes some getting used to; the right cheek's subcutaneous thirst, meanwhile, cannot be quenched. It soaks up the dirtchute dye like a pre-menstrual sponge.

Day 7. First week complete. Even though it should take two-to-six weeks before I notice any change (individual results will vary depending on the depth of the melanin in the skin), I scrutinize every mortifying megapixel of the first reconnaissance photo for signs of molting. All I discover is a blossoming galaxy of little bumps I label as ass acne–the little red calling cards of shaving against the grain. There's no change around the a-hole itself. Out, damned spot!

Day 14. Second week complete. My asshole is a jarring shade of what I call reddish yuck. This may be an effect of the products, but more likely it's an indictment against the cheap, sandstone-fortified toilet paper I've been using. Consequently, a gentler brand of shitwipe is added to the grocery list.

Day 19. What started as just another day at the bleach turned ugly this morning. Last night I ate a huge bowl of fruit salad that apparently missed the "All aboard!" cry for the steaming caravan I call "The Morning Dump Express." Mere minutes after this raging locomotive left the station (and just before the AM fade cream application), a commotion in my lower tract signaled an impending case of squirtigo. A dizzying deluge of pineapple stilettos, blueberry pellets, husky gourd filaments, and apple shrapnel shattered the calm. I hadn't seen any fruits hurtle through the air that violently since the circle pit at The Village People concert. The stench of methane and riboflavin still befouled the musky air when the onslaught resumed 15 minutes later. And again

a half-hour after that. Now, the cream became an afterthought. I really was more worried someone would find my body days later in a pool of splintered bowel and heavy syrup. It was the application that I missed.

Day 21. Third week complete. That goddamn fruit salad threw my log-a-rhythm all out of whack. Two mornings in a row I was duped into applying the Esoterica after The Morning Dump Express departed, only to find myself wiping it away minutes later after a fractured follow-up dump. Today I actually waited until I got to work before I applied the cream.

Without running the results through a spectrosphincometer, it appears that both sides have taken on a light purplish hue. Only time will tell whether this is a sign of vitality…or lividity.

Day 28. Fourth week complete. Things around my one-ring circus have settled back into a rhythm, but it appears my brown eye has cataracts. Both sides are a somber shade of pink-

A Do-It-Yourself, Free Option

Don't have spare dollars, or the patience to fuck around with creams? There's another way to get rid of your dark, anal areas, whether you're male or female: suntan it!

This involves tanning naked and lying in this position, holding your ass cheeks apart so the sun can get where it never (usually) shines.

The pros: no expenditure; do it where and when you please; no repetitive spreading of cream.

The cons: sunburnt balls and/or dick or pussy lips; freaking out your partner, the neighbors or strangers.

Kandee Lixxx

"Taste These Goodies!"

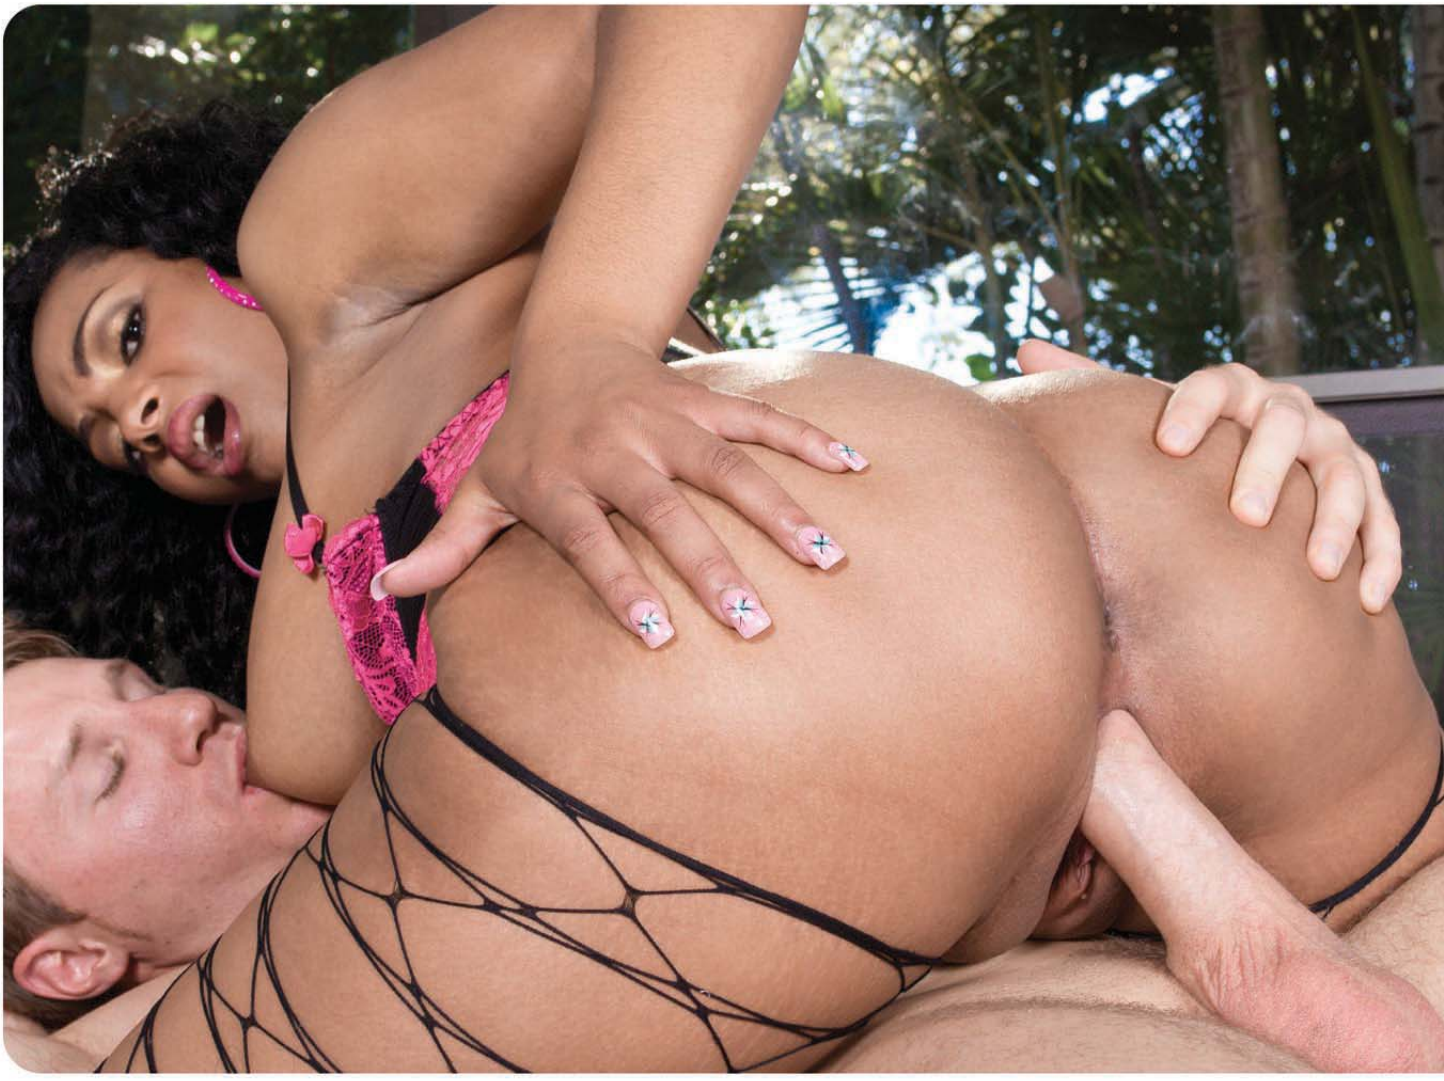

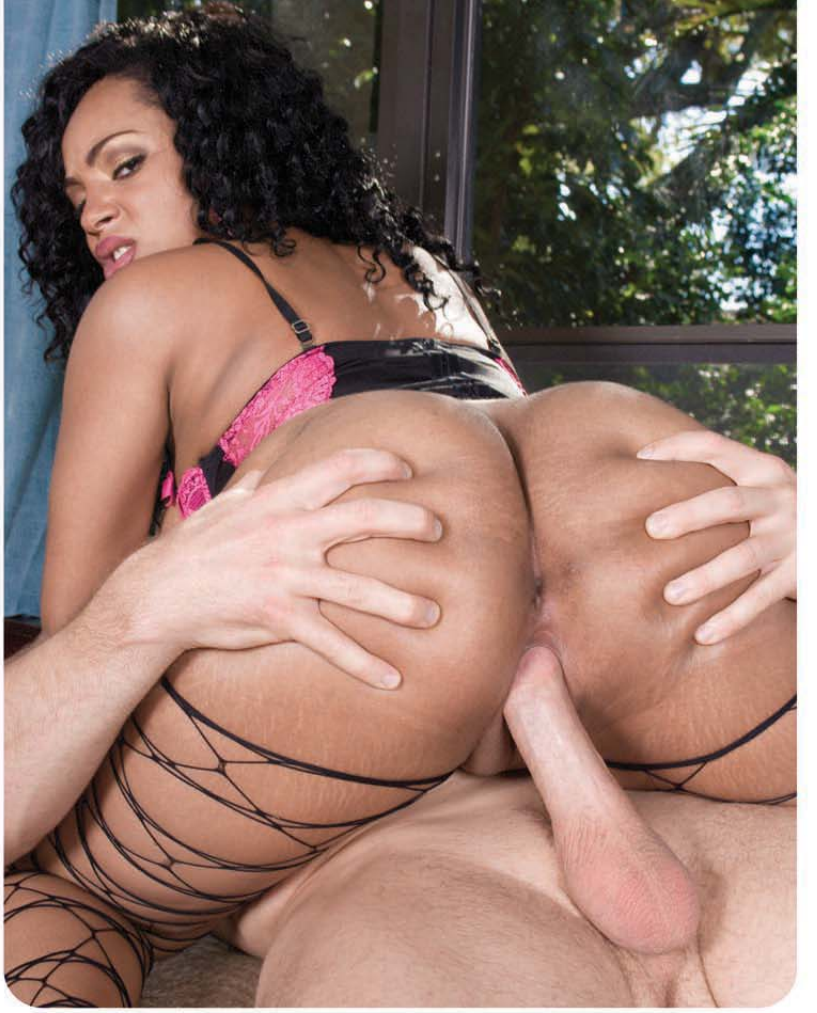

Welcome back, Kandee. What goodies are you serving up?

"Take a look at my body. I have all sorts of goodies! I am young, tight and just right, so you take your pick. What would you like to taste first? You can kiss these sugary lips. Or you can suck on my chocolate nipples. But if I were you, I would go down to my delicious, wet pussy and get yourself a healthy helping of heaven!"

In the Oct. '08 issue, you said, "Why tease when you can fuck?" Is that still true?

"You see me taking all that hard cock up my pussy, don't you? Does it look like I'm a tease? I don't think so. I can't stand it when girls are all talk and no action. If you are going to put yourself out there like you are the bomb fuck, then be the bomb fuck, bitch!"

We take it that you are the bomb fuck then, Kandee.

"[*Giggles.*] I don't like to brag, but I am pretty amazing in the bedroom. I have been told that my pussy is so tight that it's like a suction cup on that dick. The head goes in and my tight pussy just sucks that cock right up. I know it's true because when I ride that cock, it sometimes slides right out of my pussy with a loud pop that makes guys wince. They can't wait to get right back in that vise-tight box!"

KARA KANE

continued from page 30

Kara Kane: Well, when I was younger, I would wear tiny shorts and walk around in them and have, like, seven cars pull up and try to pick me up.
BootyLicious: And now you don't like that attention anymore?
Kara Kane: Well, you know, now that I am older and mature, I don't try and attract that attention anymore. I don't like it.
BootyLicious: How do you manage to stay low profile, Kara.
Kara Kane: By changing my look from time to time. And I wear a lot of sweat pants, too.
BootyLicious: We hear that a lot. All you booty ladies love sweats.
Kara Kane: Yes, especially the PINK line from Victoria's Secret.
BootyLicious: Do you get hit on even though you are in sweats?
Kara Kane: Oh, definitely. The attention is still there, but it is less than when I used to wear my ass out there.
BootyLicious: Give us an example of a time when a man threw you some corny pick-up line on the street.
Kara Kane: Oh, wow. I've heard them all. One guy told me, 'Can I get a dime to call your mom and personally thank her for making you so fine here?
BootyLicious: Wow. That's very corny.
Kara Kane: I know. It's so silly.
BootyLicious: Would you say that you are shy and laid back or outgoing?
Kara Kane: I think that personality-wise, I am outgoing, but as for how I am on my time off, I am very laid back. I just like to be a homebody and cook. I love to be out in my garden.
BootyLicious: We are imagining you in tiny shorts in the dirt, pulling up some weeds and gardening.
Kara Kane: [*Laughs.*] I am very much a Martha Stewart kind of woman.
BootyLicious: Somehow we doubt that Martha Stewart can shake her ass like we heard that you could.
Kara Kane: Yeah, I can shake my ass really well. Those tricks and clapping, I can do all of that. I was never very good with the pole tricks, but I think that as long as you show a man your sexy ass and do some tricks for him, he will be entertained and it's okay.
BootyLicious: Let's talk about the men in your life. Are you the type that likes thug guys?
Kara Kane: I like sensitive but strong men. I like a man that lets me take charge but also can cater to my needs and wants and can hold it down. I find cocky men are sexy. I think it's because I'm cocky and that I identify with that.
BootyLicious: Is it hard for you to date because of your career?
Kara Kane: It's hard because men get intimidated very easily. So I am just dating right now. I don't have someone I'm serious with right now.
BootyLicious: Let's talk sex for a minute. What gets you off the best?
Kara Kane: Doggie-style. I love some good doggie-style. It feels so good.
BootyLicious: Now would you say that you like to give head?
Kara Kane: I think that I prefer to give

head than to get it. I hear that guys like the way that I deep-throat and how I lick the head of their cocks like they're ice cream cones on a hot day.

BootyLicious: Some girls are anti-ball sucking. Are you like that, too?

Kara Kane: I usually don't need to do anything to the balls because I give such good head, but if a guy asks me to play with his balls, I don't mind.

BootyLicious: And what do you like for a guy to do when he is eating your pussy and your ass, Kara?

Kara Kane: Hmm, well I am very specific when it comes to a guy eating my pussy. There are certain things I need.

BootyLicious: Well, preach! This is the time to testify! Tell us.

Kara Kane: [*Laughs.*] Okay. I don't like slobbering and spit on my pussy. I am more of a tongue girl. I need a guy to take his tongue and gently caress my clit. I am really not into a guy sucking too hard on my clit, either. I like some sucking, but not, like, when it feels like he is trying to suck it off of me. I like a lot of licking. That's important. And I really don't like fingers inside of me. I think that if a guy is talented with his tongue, he can make me pop without having to use his hands. It's just the way he works his tongue that counts.

BootyLicious: Okay, so is foreplay important to you, or do you prefer just to skip right to the sexy time?

Kara Kane: I think it depends on the man I am with. When the chemistry is there, and I am really feeling the guy, I love slow and sensual foreplay. But that doesn't usually happen, so we can just skip right to the sex.

BootyLicious: Is kissing important to you? Are you into that?

Kara Kane: No. I have to be really into you to want to kiss you.

BootyLicious: What would be the perfect night out or date for you?

Kara Kane: Dinner dates are great. I love Italian. I like to talk, so we can just eat, get drinks and enjoy a nice convo. Oh, and Dominican food! I love roasted chicken and rice and beans.

BootyLicious: Being that we are in Miami, a mecca for Latin culture, we are going to say that we think your ass is growing and is so big because of the rice and beans. Rice and beans makes for really huge asses.

Kara Kane: You know what? I think that you are right. When I eat a lot of rice and beans, my ass does get bigger.

BootyLicious: We really hope that all of our readers are making a mental note to feed their ladies that Latin soul food for bigger asses! Rice and beans,

people! If you feed them, it will grow!
Kara Kane: [*Laughs.*] That's so funny!
BootyLicious: What kind of panties do you like to wear, Kara?
Kara Kane: Granny panties. I wear them. Like them. They're comfortable.
BootyLicious: What? Why are all of you beautiful bootied women wearing those damn panties? We hear that way too much around here. Okay, let's ask this…is it okay to laugh during sex?
Kara Kane: Absolutely. I like very funny men. I think that laughter and sex should go hand in hand.
BootyLicious: What about dirty talk?
Kara Kane: I like to talk dirty. I like to tell a man how wet my pussy is and how good his dick feels inside me.
BootyLicious: When men approach you, what lines work on you?
Kara Kane: Just be a real gentleman. Don't whistle at me. Talk to me.
BootyLicious: What are your fantasies, Kara. What do you want to try?
Kara Kane: I want to have sex on the beach at night in the tide. It has to be with a special someone. I'd like that.
BootyLicious: That is pretty tame.
Kara Kane: [*Laughs.*] I'm a nice girl!
BootyLicious: Tell us about doing anal. How do you do good anal?
Kara Kane: I think you can use a butt plug to get ready for it. But I need to have vaginal sex and then go into it. And I recommend good lube. Eros is a good lube. And exercise the butthole by using beads, too. The more you practice, the easier it becomes.
BootyLicious: Well, we are running out of time, so let's do some quickies. What is your favorite color?
Kara Kane: I like the color black.
BootyLicious: Favorite movie?
Kara Kane: [*Laughs.*] Beetlejuice.
BootyLicious: Favorite music?
Kara Kane: I like classic rock, disco, '80s, a little hip-hop and R&B, too.
BootyLicious: What is your favorite curse word of all time, Kara?
Kara Kane: [*Laughs.*] Um, shit. Shit!
BootyLicious: Who is your dream lay?
Kara Kane: Um, George Clooney.
BootyLicious: What about a woman?
Kara Kane: Madonna. She is hot! Or Nicolette Sheridan. She's a sexy MILF.
BootyLicious: What about travel? Where do you want to go?
Kara Kane: I'd love to go to Italy.
BootyLicious: What would you like to tell your fans before you go, Kara?
Kara Kane: Thank you for all the support and look for me in *BootyLicious!*
BootyLicious: Thank you, Kara, for being so candid with us today.
Kara Kane: No problem! It was fun. **B**

Sensuous
PLUSH
& PLUGGED

Welcome to BootyLicious, *Sensuous! We love your ass.*

"You ain't the only one lovin' this ass because this here is a lot of ass to love. I have a fan club with lots of members. People always say, 'Sensuous, how did you get an ass that big?' I always tell them the same thing. It takes a lot of cum to grow your ass this big. Cum in your pussy, ass and all up inside your mouth, too."

How much cum would you say you've gobbled up?

"Let's just say if there is a big dick in my vicinity, chances are it's pointed at me. And I can't deny a man his pleasure because I am a giver, baby. I just love to make men feel good. I tell them to come to Sensuous. Then I tell them to cum in Sensuous, too. I am all 'bout that sensual pleasure and my men are, too."

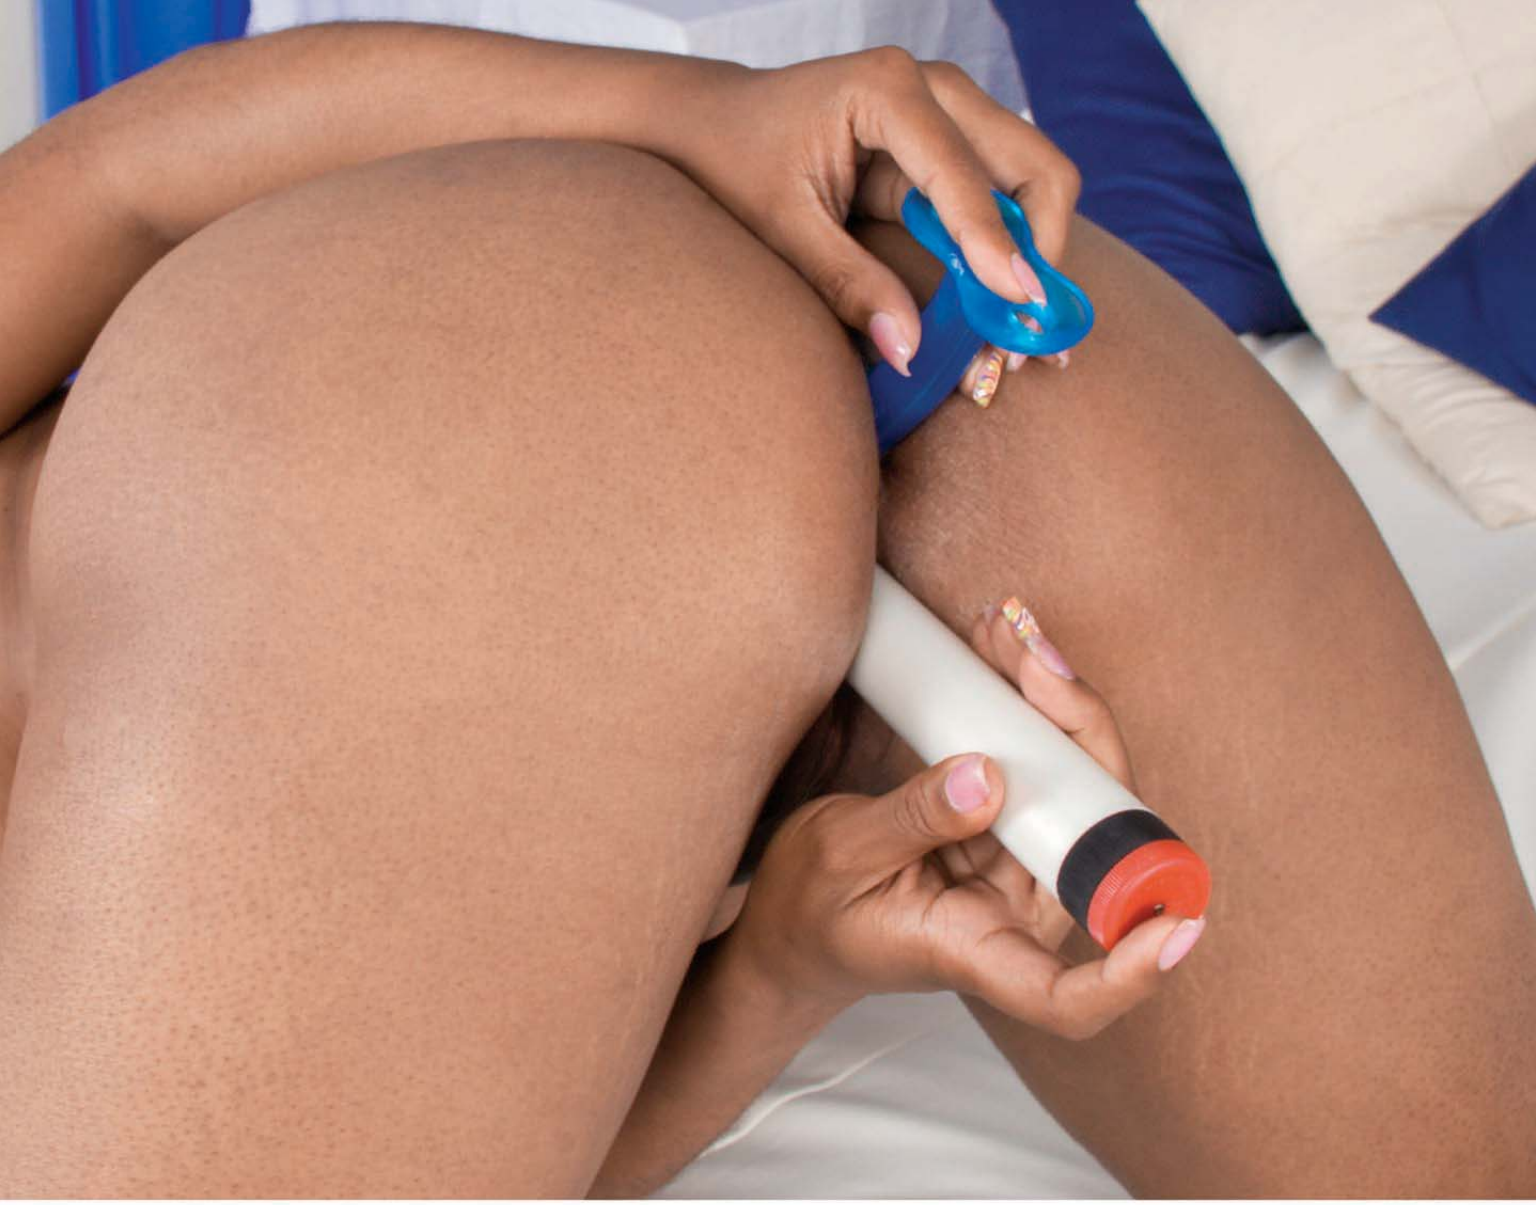

That toy looks at home inside your ass canal. Are you an anal expert?

"Anal is not my forte but it's in my arsenal of pleasure tactics. Some men like pussy and that's cool because I got that golden pussy. But some men can't cum unless they got their cocks inside a snug asshole. So, I let them stick it in my tight ass until they explode on my big cheeks."

ish-gray that one would be hard-pressed to find on a color palette. (Out of curiosity, I went to Sherwin-Williams to see if they had a similarly-hued color chip. To my astonishment, they did. So if you're looking to paint your bedroom or kitchen in a partially-resuscitated asshole motif, ask for SW 6022–Breathless.)

The Outcome

Day 35. The recon photos confirm the impossible: after five weeks and 104 rounds of fingering myself, both rectal walls have been purged of their fecal frescoes! Vibrant pink bungflesh (on the order of SW 6575–Priscilla, for those scoring at home) has risen from the depths like some kind of anal Lazarus! A jubilant cry rings out from the lab: "This anus…is heinous…no more!"

And then, far away in the distance, a faint rustling as my ancestors thrash and then roll over in their graves.

The End Result

I recommend Esoterica to all you potential posterior peroxiders. It may not be listed for use on the anus, you have to apply it twice as often, and it leaves an oily residue; but you get more of it for a fraction of the price of Vigala. Plus, it works as well as anal bleach, and it's available at most drugstores.

As for me, I have a prostate exam, two cavity searches, and a photo shoot for *Whiter Shade of Tail* magazine scheduled for today. My future's so bright, I gotta wear fade (cream). B

Eva Gomez
Maid to Order

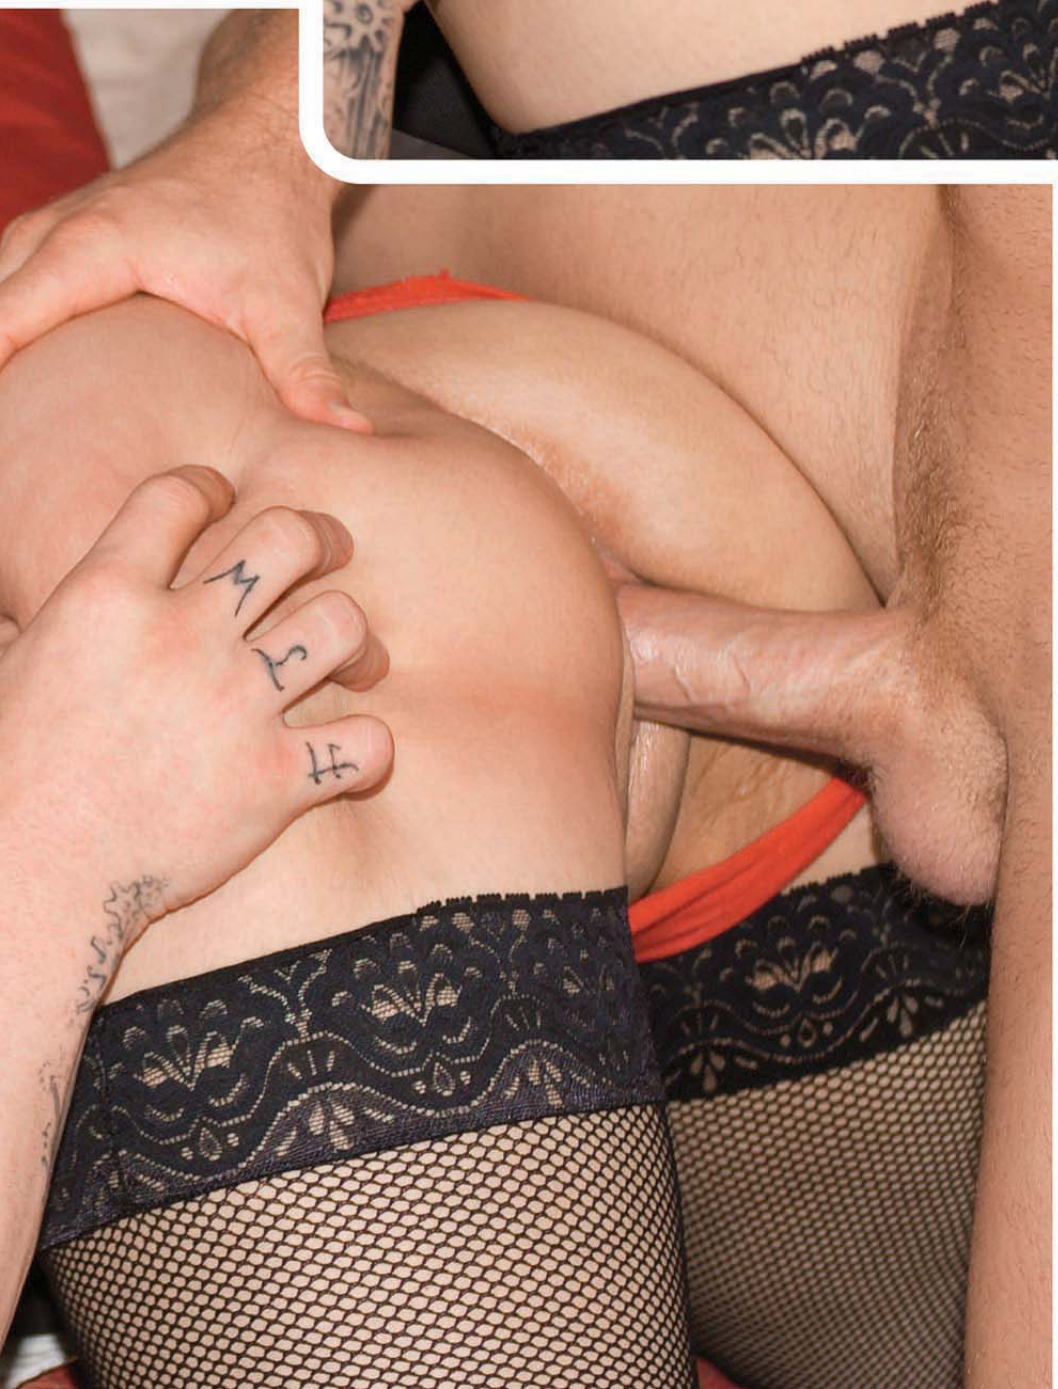

Eva, we don't think you're a good maid at all. In fact, it looks like the only thing that you're good at is cleaning out these guys' clogged pipes.

"I tried to clean up their apartment but they didn't like the job I was doing. It's because I was cleaning with my dress up over my big ass. But it was really hot and I didn't want to start sweating. My booty needed some fresh air. When I told them that I needed some hands-on training, and by that I meant that I wanted them to run a train on me, they were more than happy to fire me as the maid and hire me as a ho. Besides, I never said I was good at this job. The only thing that I am really good at is taking down two cocks at a time. That is my favorite thing to do because it makes me feel really stuffed and full of dick. And people always tell me that if you find something that you love doing, then do it for the rest of your life. I suck at being a maid and cleaning, but I know that I can drain a pair of cocks of all their nut in a few minutes flat."

We encourage you to fuck and suck your way through as many cocks as it takes to become a professional, Eva.

"Well, I think I am already a professional because once I put the moves on these two, they were cumming in no time flat. First I like to be fucked by one dick while I suck the other one and then I like to switch so that they both get equal treatment. My favorite thing to do is to look at both guys and tell them to DP me. Most of the time when I say that, guys don't believe me or think that they must have heard me wrong. But when I insist that they spear me at the same time, they are always eager to get in my ass and pussy!"

Do you always encourage them to spray your big ass and face with hot cum, too?

"It depends on how horny I am. Sometimes I just like them to keep fucking me until they cum inside me. But, if I am really horny and worked up, I'll tell them to pull out and coat my ass and face. But that doesn't mean it's over. You see, I like to lick and eat cum almost as much as I like to fuck. Once they glaze my body, I take my time scooping it up with my fingers and then I suck them clean. I don't know why, but when they see that I'm a cum-hungry slut, guys usually get hard again and want to keep fucking all night."
